

FATHER DIES WITH LITTLE DAUGHTER IN BURNING HOME

Mother and Four Other Occupants of Dwelling in Bridgeport Rescued by Firemen.

BRIDGEPORT, Conn., Jan. 19.—Pinned in a back hallway on the second floor and overcome by smoke as they were seeking to escape, Cyrus L. Meade and his daughter Sarah, aged eleven years, lost their lives in a fire in a two-family dwelling here early to-day. The girl was dead when found by the firemen and Meade died shortly after being taken out. The Meades lived on the upper floor and the family of E. L. Meyer, four in number, on the lower.

The latter family and Mrs. Meade were rescued by the firemen. The members of the Meyer family were carried down the smoke-filled hallways and stairs by the firemen. Next Mrs. Meade was rescued by means of ladders placed from the roof of the veranda to a balcony on the third floor windows.

When the firemen went to Mr. Meade's room they were unable to gain admittance. They tried to open the door, but could not. So fierce had become the flames and so dense the smoke that the firemen had to work in relays at the door. When it was finally battered down it was found that a chair had been placed against the door and jammed under the knob, holding the door fast.

Meade and his little daughter slept in the same room during the cold spell, and the two were found on the floor clasped in each other's arms. It was apparent that Meade had been awakened by the smoke and had made for the child's bed. He had got half way to the door when overcome. Father and daughter were carried to the street as they were found. A doctor who had arrived on the scene decided to take one look to see that the two were dead.

JOSEPHINE BARTLETT INJURED BY TAXICAB.

Singer in Fritz Scheff's Company Suffers Severe Fracture of Collarbone While Crossing Fifth Av.

Miss Josephine Bartlett, the comedienne, a sister of the late Jessie Bartlett Davis, and who was for many years a member of the Bostonians Company will be compelled to remain at home six weeks as the result of the injuries she received when she was knocked down yesterday by a taxicab.

The chauffeur, Henry Copeland, and policeman Frank lifted the semi-conscious actress into the taxicab and she was taken to the New York Hospital, where Dr. Bartlett set the fracture. After that she was taken to her home, No. 30 West Twenty-sixth street. Miss Bartlett refused to make a complaint against the chauffeur.

DON'T DIET FOR FAT.

You have no appetite for food, have you? By the same token, if you take in excess of 150 pounds, I know you have no great liking for gymnastic stunts. As a rule fat folks are neither athletic nor ascetic, except under compulsion, and nowadays they are not under compulsion to be either, no matter how necessary it is for them to reduce. There is a third, better and surer way of getting rid of superfluous flesh. The trouble with both dieting and exercise is, first, the trouble, second, the danger (fat heart), third, wrinkles, and, fourth, stomach disgust. You are liable to all four if you exercise or diet. On the other hand, you can sidestep all four, and still reduce as much or little as you please, even up to losing a pound a day if you so fit, by taking a teaspoonful after meals and at bedtime of the following simple home remedy: One-half ounce (Jamaica), 15 ounce Fluid Extract Cascara Aromatic, and 35 ounce Peppermint Water. Any druggist will fill the prescription for you cheaply, and you may take it with perfect confidence that it will do no manner of harm. Instead, it almost invariably improves the health and, likewise, the complexion.
